

Secret Teachings of Jesus

17-18 March 2018

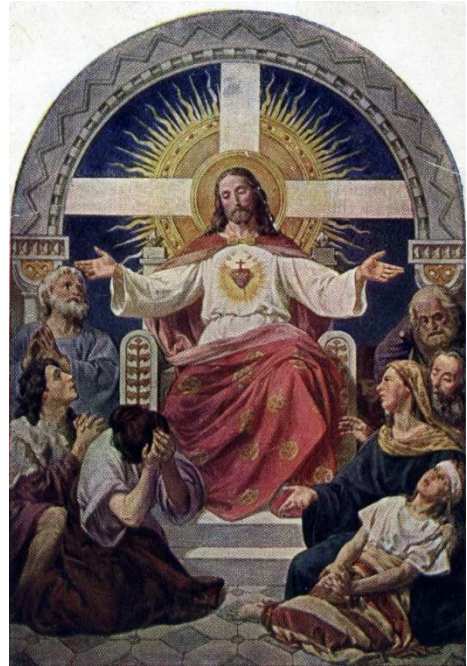

Teacher: Peter Dawkins

*Haus der Begegnung, Seminarzentrum, Mühlenstrasse 2,
31812 Bad Pyrmont, Germany*

A weekend seminar led by Peter Dawkins exploring the secret history, teachings and mysteries of Jesus and his disciples. What Jesus taught, demonstrated and practiced with his disciples was fundamentally the Orphic-Dionysian teachings and mysteries married with the Hebraic-Judaic teachings and mysteries. The marriage of the two was all-important for the Great Work that had to be done.

Jesus and his disciples worked with both the wisdom and the landscape—the landscape of Palestine, Syria, Near East and Europe being the stage on which they played their roles in the Great Mystery. They did this in preparation for the “end of the Age”—a time which is occurring right now as we move from one Age and Great Age into a new Age and Great Age.

We are being called now to understand, take up and complete the work—a labour of love—begun by those initiate disciples 2,000 years ago, so that Europe can sound the True Word and help the world develop a true and lasting Golden Age, born, like the phoenix, from the ashes of the old.

The workshop will be in English, with German translation.
